Protective Grating, Wire Bending, Welding, powder coating

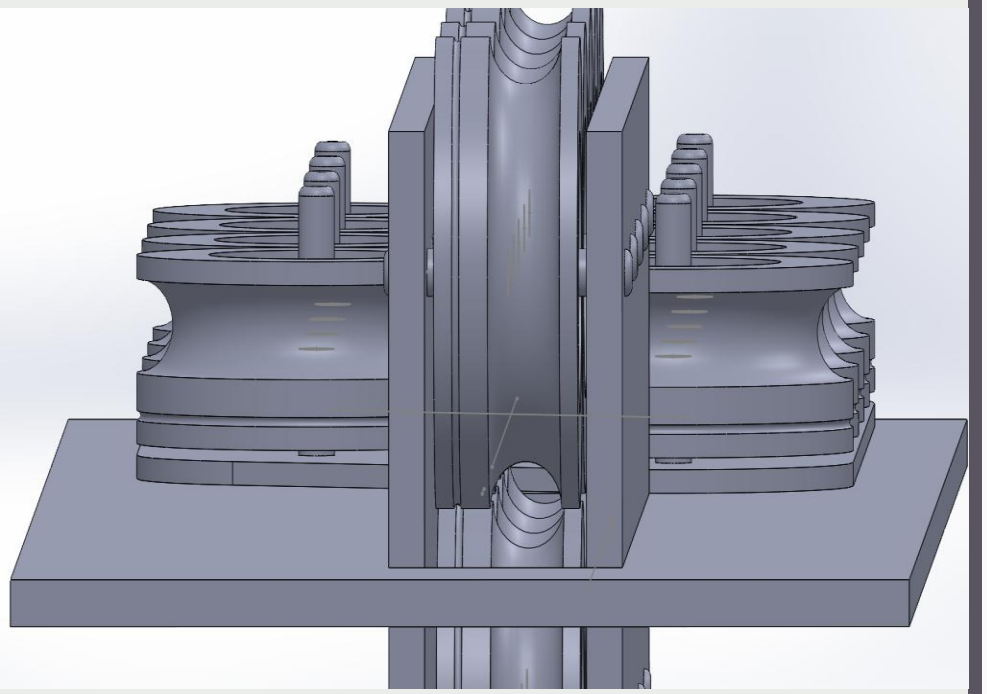

CONTENTS

1. Who we are?
2. Wire Bending
3. Press Brake
4. Welding
5. Powder Coating

Who we are?

VOLL Engineering designs 2D – 3D Mold and Machine Technical drawings since 2015.

As VOLL Engineering, we care about continuity and quality in production.

In addition, we can produce precision measurements of parts during our manufacturing with our special equipment.

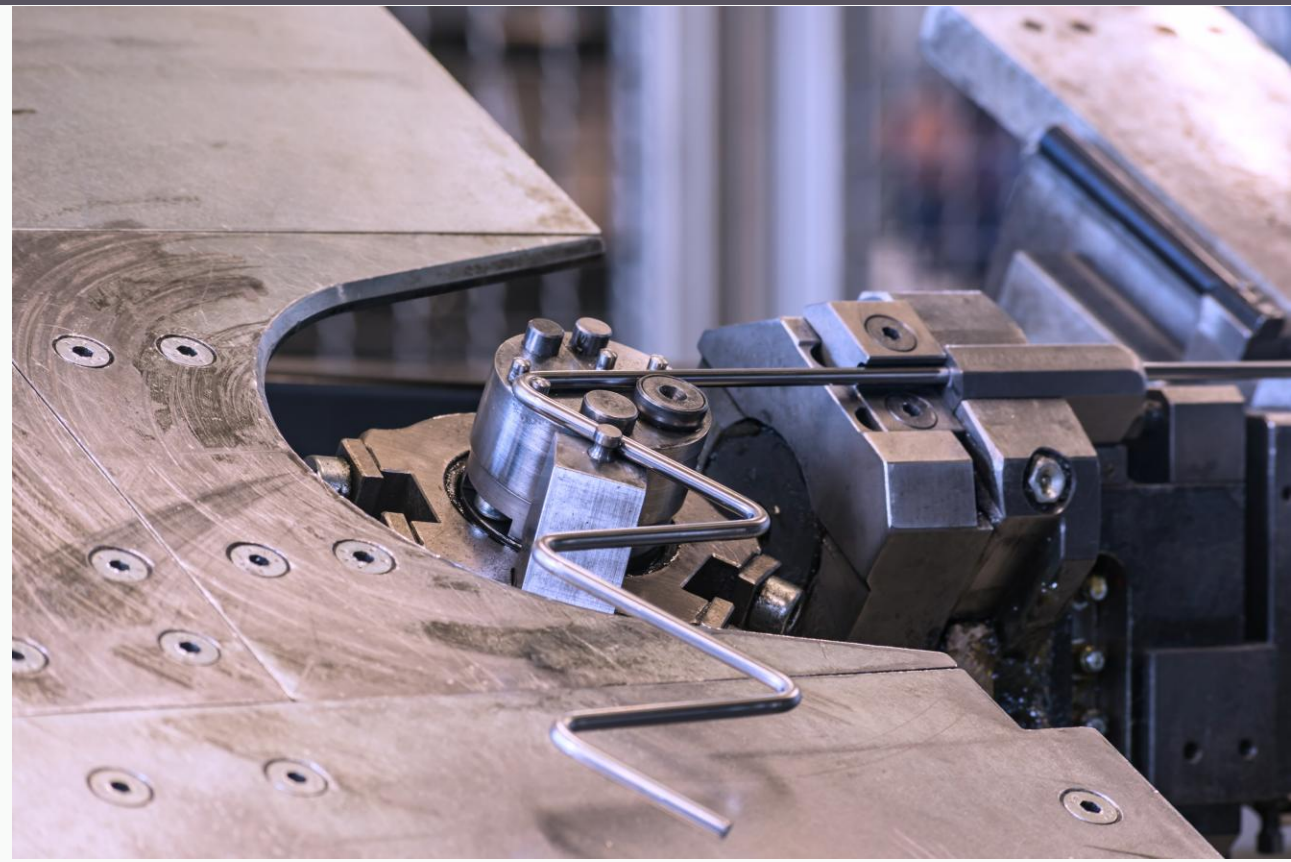

Manufacturing

Wire cut to size operation with precision.

High Quality of Steel

VOLL Engineering *aiming always to provide its customers with the highest quality and the best service.*

A worldwide reliable partner in *wire bending, welding and painting.*

Manufacturing

We are manufacturing, bending, welding, painting 1-10mm steel wires.

Precisized Protective Grating Manufacturing is important for us.

Protective Guards

Protective Guards

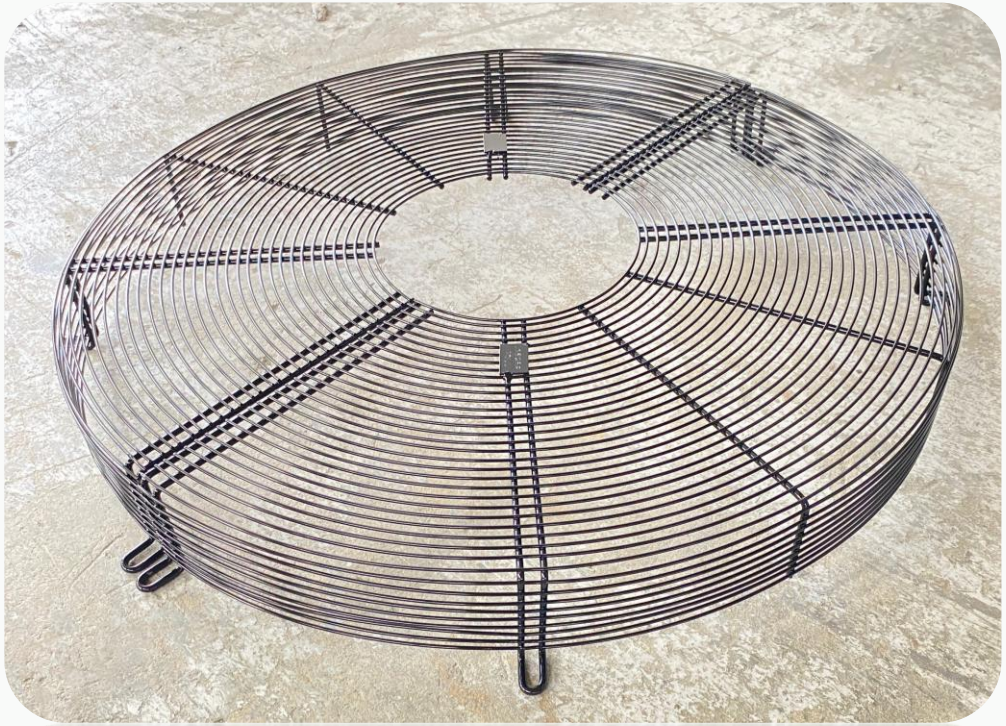

Protective Fan Guards

As you see, this Protective Grating is not just 1 part. This is 2 part. We can develop our manufacturing capacity for your projects.

Protective Fan Guards

No limit for diameter of Protective Grating.

We provide best deadline date.

VOLL Metal Solutions is the best choice for your Quality Team.

Protective Fan Guards

We are designing precisized molds for special designs. We have no limit for manufacturing skills.

Protective Fan Guards

Our team precisized manufactured this Protective Grating(R72)

Specificated flange easy for our manufacturing line.

SAMPLES

You can reach us then get your sample for our manufacturing quality.

SAFE TRANSPORTATION IS IMPORTANT

We Provide specificated shock absorbing cardboard box for our Protective Gratings.

LOGISTICS

Respect for our Environment

shows the utmost respect for the environment at its wire bending, sheet metal bending and welding complying with all regulations.

Customer Satisfaction

Approaching our customers with a full understanding of their needs

Supplying our customers with the best available quality products

Always maintaining our stance as a reliable and dependable supplier

Developing long-lasting relations with our customers for our mutual benefit

Always accessible, easy to work with

Respect
